PRICE GUIDE

*Kasia Guzik*  
PHOTOGRAPHY

Whether it's fashion, advertising, or an event, every shoot is crafted with attention to detail; from planning to final edits.

## **1. Fashion & Editorial Shoots**

Perfect for brands, designers, and magazines looking to capture visual storytelling through fashion.

Includes:

- Pre-shoot consultation and concept planning
- Up to 3 hours of shooting time
- Professional lighting and equipment
- Editing and retouching of all selected images
- Unlimited online gallery for easy access and downloads

**Starting from £300**

*Make-up artist, hair stylist, and fashion stylist can be arranged at an additional cost, based on individual rates.*

## **2. Advertising Campaigns**

Ideal for promoting new products, brand launches, or seasonal campaigns.

Includes:

- Creative consultation and mood board planning
- On-location or studio setup
- Up to 4 hours of shooting time
- Full editing and retouching
- Unlimited high-resolution gallery for digital and print use
- Commercial usage rights

**Starting from £400**

*Optional support: product styling, creative direction, and behind-the-scenes coverage available upon request.*

## **3. Headshots:**

Whether this is for business, LinkedIn or personal use:

- Professional individual business headshots session and group shot
- “In-action” workplace photography to capture your team in their natural working environment
- Guidance on posing and expressions
- Professional retouching of selected images
- High-resolution digital files in a form of Gallery, suitable for both print and web use

**Starting from: £300**

*Price varies based on the number of people and does not include group or in-action shots.*

#### **4. Event Photography**

Capturing the essence of your events; from music events, launches to showcases and corporate gatherings.

Includes:

- Up to 2 hours of coverage
- Professional equipment and lighting where needed
- Edited, high-resolution images delivered via online gallery
- Quick turnaround available on request

**Starting from £250**

#### **Every package includes:**

- Professional photography equipment and lighting
- Travel (within local area)
- Photographer's time and expertise
- Editing and retouching for consistency and quality
- Unlimited, password-protected online gallery
- Pre-shoot consultation to align vision and goals

#### **Custom projects:**

For all other projects such as branding sessions, product shoots, lifestyle campaigns, or collaborative editorials; quotes are provided individually and tailored to your specific requirements.
